The Editors regret that there is insufficient support to justify the publication of an index to *The Eagle* (1890–1968).

The Editors wish it to be known that the contribution entitled *Stewing on a Business Bursar*, published in the last number of *The Eagle*, contains no reference to any person, living or dead, or to any particular location, past, present or future.

There is a vacancy on the Editorial Committee of *The Eagle* for an undergraduate possessed of enormous energy and the subtlest conceivable sense of humour. The Junior Editor will be pleased to hear from him.
