

EDITORS OF THE EAGLE MAGAZINE

FROM THE FIRST TO THE FORTY-NINTH
VOLUME INCLUSIVE 1858-1937

[NOTE. The list of editors from 1858 to 1893 is reprinted from the list given in the hundredth number, Lent Term, 1893. The names subsequent to that date have now for the first time been extracted from the magazine itself. It is assumed, in spite of the notice on the cover of each issue (that contributions for the *next* number should be sent to) that the editors retired after the appearance of the issue in which their names last appear. This seems likely in view of the large number of December retirements which would otherwise appear in this list.]
