

Notice to Second and Third Year Undergraduates as of October-2012

23rd June 2012

UNDERGRADUATE CHANGE OF PREFERENCE FORM 2012/13

Results of the Undergraduate Accommodation Preference Form can be found on the College website or through the following link: <http://www.joh.cam.ac.uk/student-accommodation>. You will need to be logged into the College website before clicking this link.

With these results in mind, the College would like to offer the opportunity for students to change their previous room preference. This is particularly intended to encourage 3 more double room applications from those students who had previously applied for single rooms. Please note: Single rooms for second year undergraduates will almost certainly be within outside hostels. These students might wish to form a pair and change their preference to a double room in College.

Please use the below link to complete a change of preference:

The deadline for this Change of Preference Form is **midnight on the 24/06/2012**.

A change of preference can only be considered if the College is able to satisfy that request with the rooms available.
