

Are you a PhD student or Postdoc looking for meaningful, paid teaching experience?

The Brilliant Club is a charity that seeks to increase access to **highly selective universities** by placing researchers in **non-selective state schools**, where they deliver **a course of tutorials** designed around their **own, original research**.

Like to find out more? Then please come along to our information event:

Support pupils from under-represented backgrounds access university

Earn £500 per placement

Receive training to develop your teaching
