

Applications to the Hawks' Charitable Trust for the year 2017-18 may now be submitted:

Closing date Tuesday 13th February 2018

Hawks' Awards (<https://www.hawksclub.co.uk/trust/about-the-trust/>) to students, undergraduate or graduate of either gender, are made on the basis of potential or established sporting excellence, and financial need. Applications should address the following criteria, which are those that the Trustees will use to judge suitability for an award:

- Applications must be made on the form which is available either from the website at www.hawksclub.co.uk/trust/application-for-an-award/, or from the administrator at the Hawks' Club (administrator@hawksclub.co.uk).
- Applications must be supported by an appropriate senior member of the University able to comment on the applicant's financial circumstances. The most weight is given to those applications that are supported by the applicant's tutor.
- Applicants should normally be any resident member of, and competing for, the University.
- Eligible sports should normally be those for which Cambridge Blues or Half Blues are awarded.
- Financial need must be adequately established, but levels of cost will also be taken into account.
- Excellence in academic or in other extra-curricular areas should weigh in favour of applications.
- If need is equal, actual or potential sporting excellence demonstrated by achievement should be decisive.
- Neither gender nor a wish to spread between sports influences awards.

Application forms may be supported by a separate single sheet expressing in no more than 400 words why you believe that you are suitable for an award.

Applications must be returned, no later than Tuesday 13th February, to:

The Administrator,
The Hawks' Club,
18 Portugal Place,
Cambridge,
CB5 8AF

or by email to administrator@hawksclub.co.uk
