**1 December 2016**  
Master's Lodge  
6 for 6:15 pm

### Launch event on the 1st of December!

We aim to build a community that encourages and develops the entrepreneurial spirit of Johnian students. JEC will host talks, workshops and a business plan competition with mentoring from entrepreneurial alumni.

Our Launch reception speaker will be Johnian alumnus Richard Steeves, winner of the 2015 UK EY Entrepreneur of the Year award. He is the founder and CEO of Synergy Health, a FTSE 250 healthcare service company that was sold to a US competitor for over \$2 billion in November 2015. Richard has a broad range of other investments from digital technology services to restaurants and theatre.
