## USER GUIDE

1. **Visit our catalogue page:** [www.joh.cam.ac.uk/library-catalogue](http://www.joh.cam.ac.uk/library-catalogue)
2. Click on 'St John's College Library on Newton'

You can search by :

**Keyword** (anywhere in the whole record)

**Title** (enter the title *exactly*, omitting 'The' and other leading articles)

**Author** (surname first e.g. Woolf, Virginia)

**Subject** (e.g. 'genetics' - this will search the subject headings added to a record)

**Journal title** (enter the title *exactly*, omitting 'The' and other leading articles - note that this will only retrieve whole journal titles and not individual articles)

*Note:* you can add up to three search categories from the 'Match' menu

4. Newton will list all results for Library holdings. There is an option menu at the top of the list for printing or emailing these results for your records.
