## But which robes?

If you are here on an undergraduate course then you will be required to wear the undergraduate gown of your college along with the hood of the degree which you are about to receive.

If you already hold a prior Cambridge degree then you will be required to wear the gown and hood of that degree to graduate to your next degree.

If you are on a post-graduate course and hold no Cambridge degree, but do hold a degree from another University, then you will be required to wear an M.A. Status gown (24 years and over) or B.A. Status gown (23 years and under) with the hood of the degree which you are about to receive.

In all cases men must also wear academic bands and a white bow tie.

## The family business

Ryder & Amies are the only robe hire business in Cambridge still being run by descendants of the founding family.

We pride ourselves on the friendly and personal service that we are able to give to you, our customers, old and new. With at least one of the family usually on the premises we are always happy to take time out for a chat and to answer any queries you may have about our service or products.

## Fur policy

We at Ryder & Amies feel very strongly that the breeding of animals for their skins is not justified, particularly with the quality of artificial fur now available. At Ryder & Amies we use only artificial fur.
