An overview of St John’s College, Cambridge

An inspiring place in which to work

For over 500 years, St John’s College has flourished as an independent and self-determining academic community, whose purposes are education, religion, learning and research, and which approaches its mission with an unwavering commitment to intellectual freedom and integrity. We are committed to sustaining and enhancing the College’s global renown for scholarship across a wide range of disciplines, and we aspire to be regarded as a beacon of academic excellence. St John’s is one of the largest and most widely known of the 31 constituent colleges in the University of Cambridge, which is consistently ranked amongst the top five universities in the world.

This is a friendly, warm, and welcoming place. The College is held in deep affection by its members, who include around 155 Fellows, about 550 undergraduate and 300+ postgraduate students, some 13,000 alumni worldwide, and by our 250 staff. Our community is a tolerant, inclusive, caring, respectful meritocracy, with genuine joie de vivre. We cherish the diversity of experience, culture, and perspective in members of the College, and the way this enriches our learning and our lives. We seek to balance how we fulfil our purposes today with our stewardship responsibilities for future generations in the College, and for the wellbeing of our planet.

Job Description

Principal Responsibilities

Working as a core member of the team, each gardener will carry out a variety of tasks to support the maintenance and development of the College grounds, under the leadership, guidance and management of the Head Gardener. Tasks vary on a daily basis and will include, but not be limited to the following:

1) The cutting, spiking, fertilizing, weed treatment, top dressing, and repair to all lawn grass areas at the appropriate time of year, in order to promote lawn health and enhance appearance.

2) The cutting and pruning of hedges and trees at the appropriate time of year in order to promote health and enhance appearance.

3) The cultivation staking, pruning, and feeding of herbaceous borders and shrub borders, at the appropriate time of year, in order to promote the health of border plants, propagate new stock, and enhance the appearance of the college grounds and garden areas.

4) The planting of informal flower beds, trees and shrubs, at the appropriate times of year, in order to promote plant health and enhance the appearance of the college grounds and garden areas.

5) The maintenance of all gravel pathways and edges, in order to minimize the risk of slips, trips and falls and to enhance appearance.

6) Cleansing work in and around gardens and storage areas in order to maintain a safe environment for members of the college, their guests and visitors. This includes the safe removal and disposal of dangerous and hazardous materials.

7) The maintenance and safe use of hand tools and power tools including hedge trimmers, strimmer’s, blowers, ride on mowers, pedestrian mowers (cylinder and rotary).

8) Communicating regularly with the Head Gardener and/or Deputy Head Gardener on progress and contributing ideas on how to improve and develop the College grounds.

This list includes the principle accountabilities of the role, but is not exhaustive. Other relevant duties may be specified by the Head Gardener from time to time.
